

Virtual Series

2021-22 Literacy Leadership Network

This series will focus on the integration of implementation and reading science. Each network session will target systems, protocols, and decision-making processes district and building leaders can implement to improve literacy instruction for all learners. Participants will have time to share and discuss the journey of shifting literacy practices with other district leaders in Region 10.

Each session will be held from 9:00 - 11:00 a.m.
