SST 10's Virtual Leadership Network series is returning this school year! Join us to discuss issues that impact the educational environment for your students.

This is a great opportunity for administrators across the region to network on topics such as:

- Equity
- Special Education
- Inclusive Instructional Practices
- Access
- Post-Secondary Transition
- and more!

This network is appropriate for curriculum directors, special education directors, student services directors, and district and building leaders.

Time will be provided to collaborate across districts in virtual breakout rooms.

Please note: You only need to register once for this series.

Each registered individual will receive an email in advance of each meeting with instructions to join.
