

# Virtual Series

## Emergent Literacy Leadership Network 2023-24

These sessions will provide an opportunity for leaders in the early childhood field to connect and collaborate on instruction aligned to the science of reading and selecting instructional materials for children from birth to kindergarten. Topics are pre-selected for each date but may be adjusted based on the needs of the participants.

**Session 1:** Instruction aligned to the science of reading for young children

**Session 2:** Developing a review and selection process for instructional materials

**Session 3:** Implementing instruction aligned to the Early Learning and Development Standards and the Science of Reading

Sessions are recommended for preschool directors, instructional coaches working at the preschool level and early care and education program administrators.
