During this hybrid learning opportunity, participants will complete the Introduction to Dyslexia course modules in the Ohio Department of Education's Learning Management System independently and then come together with other participants to review, discuss, and apply the content of each module.

Each session will be focused on the content from two or three modules with opportunities for participants to complete activities, view examples of instructional practices, and share ideas for implementation in the classroom.

Participants must complete the modules within ODE's LMS to receive a certificate of completion to meet the 18-hour professional development requirement in Ohio's Dyslexia Support Laws.

For questions please contact Kelli Cook at kelli.cook@mcesc.org or (937) 236-9965
