Professional Learning Networks designed especially for Career Tech

STATEWIDE CTE & SPECIAL ED MEETINGS

Four statewide CTE/SPED Leaders Network meetings will be offered this year. In collaboration with the Ohio Department of Education, these meetings will focus on content that will interest the career-technical education community. The first section of the meeting will be devoted to statewide topics, and the second section will allow each SST to focus on regional needs.

OHIO MEANS JOBS

Learn about Ohio's no-cost career-planning system during this introductory virtual session.

Educators can use these tools to allow students to learn more about their career interests and in-demand jobs, build resumes, create a budget based on future expenses, and develop meaningful academic and career plans for high school and beyond. Participants will complete a survey about their interest in future sessions.
