

Industry Recognized Credentials for **ALL** students

Join State Support Team Region 10 for an overview of the credentials offered by Maximum Potential. The SST will offer a number of middle and high schools the opportunity to train select staff members for **free**.

A series of 'cross-cutting' credentials offered by Maximum Potential can provide a pathway to graduation when students complete them.

Student's Successful Completion

- Lean Six Sigma Yellow Belt = 3 points
- Lean Six Sigma Green Belt = 6 points
- Leadership Excellence-Student = 3 points

While completing the credentials listed, students can demonstrate the skills found in the Ohio Means Jobs Readiness Seal. (Districts monitor and complete.)
