The ABCs of Preschool IDEA Monitoring

virtual learning series

In this virtual series, preschool special education supervisors and providers will have the opportunity to focus on selected topics to learn about the new Preschool IDEA Monitoring Process. ESCs that provide preschool services or programming for districts are also encouraged to attend to understand what is needed to meet IDEA requirements. Each session will have a brief overview of related topics, followed by time to ask questions, discuss evidence needed, and support each other in areas of growth.
