

Preschool Special Education Supervisor Collaborative *Evaluation Process*

Join fellow preschool special education supervisors to share and refine practices related to the **initial evaluation and referral-to-eligibility process**. This session will focus on aligning procedures with requirements and enhancing evaluation practices to better support IEP development.

Topics include:

- Comprehensive evaluations
- Data collection for Child Outcome Summary
- IEP goal development and baselines

What to bring:

Samples of tools and documents you use in evaluations - such as ETRs, supporting documentation, manuals and process guides - to enrich discussion and collaboration.

*During the afternoon (12-3 pm), participants can continue conversation and/or work on their procedures.
