

# Child Outcome Summary Part 2

For those that have already received the Child Outcome Summary Part 1 training, join State Support Team Region 10 for an in-person guided practice for completing activities that support understanding of the process to complete a Child Outcome Summary.

**\*\*Additionally, supervisors that will train booster sessions for staff need to complete this training with an SST Consultant at least once.\*\***

**September 4, 2025**
