

# Emergent Literacy Leadership Network 2025-26

## *Virtual Series*

The Emergent Literacy Leadership network will provide preschool leadership teams the opportunity to collaborate with other preschool leaders in State Support Team Regions 10 and 13 to define a multi-tiered system of support. Topics will include using high quality instructional materials with fidelity, establishing intervention procedures and family communication across all three tiers of instruction. The Ohio's Ready School Guide for Language and Literacy will be used throughout the network to guide the discussion and measure progress.

Session 1: Defining Three Tiers of Instruction

Session 2: Using Tier 1 Materials with Fidelity and Integrity

Session 3: Targeted Intervention - Use of Materials and Progress Monitoring

Session 4: Intensive Intervention and Data-Driven Decision Making
