Data-driven Decision Making in Tier 3

March 11

8:30 - 11:00 AM

MCECS Regional Center, 4801 Springfield St, Dayton, 45431

Supporting Implementation

SST 10's Regional Literacy Network will provide district teams the opportunity to collaborate with other district leaders to define a district-wide multi-tiered system of support. Participants will be provided with the opportunity to hear success stories from region 10 districts and to develop practices and procedures that will support their defined multi-tiered system of support.

New this year - office hours will be offered to Literacy Network participants to provide targeted support and feedback as written processes and plans are developed by teams.
