IT'S YOUR LIFE!

REGIONAL TRANSITION & ACCESSIBILITY
FAIR

Where connections are made!

Hello!

You are invited to participate in our 2019 Regional Secondary Transition & Accessibility Fair. This event is organized by Region 10 State Support Team, serving Clark, Darke, Greene, Miami, Montgomery, and Preble Counties.

The purpose of this event is to increase awareness of potential community resources for students, families and educators of Middle and High School age youth with IEPs and 504 Plans. Agencies who may support the development and refinement of student plans for living, earning, and learning after leaving high school are encouraged to join us.

The Fair provides an opportunity for your agency/organization to meet potential consumers and share available information about resources and/or services that can help our young men and women meet their transition goals.

We feel your agency/organization has so much to offer and we hope you will participate! Just complete the online exhibitor registration form [HERE](#).

You can get more information on the Fair by visiting <http://www.sst10.org/Content/its-your-life>.

- One six-foot table and two chairs will be provided at no charge to you for displays, literature, etc.
- As a thank you to our participants, there will be door prize drawings throughout the evening. If you are able to donate a gift card we appreciate it!

To participate, please register for your table space by February 15, 2019

Registered exhibitors will receive email confirmation and follow-up details as the date approaches.
